How you finance your degree is a big part of your decision-making process. All admitted applicants are automatically considered for merit-based program-funded assistantships; however, funding is not guaranteed. We recommend that you plan with the full program cost in mind. In addition to these start-up expenses, potential expenses to consider are moving expenses, rent deposit and monthly rent payments, books/laptop, utilities (electricity, gas, and water), etc.

**Typical Graduate Assistantships only cover tuition waivers in the amount of \$5,734/semester in-state and \$14,828/semester out-of-state.** Students must cover the balance. The Financial Aid Office will only process need-based funding for United States Citizens. Additionally, university-wide merit-based scholarships may be obtained through the Graduate School.

<sup>1</sup>Seating Deposit is due upon acceptance of admission, is separate from tuition, is not covered by GI bill benefits, and is non-refundable.

<sup>2</sup>Prep Course costs do not qualify for federal financial aid.

<sup>3</sup>**Spring Mini-Term Global Business Seminar**- tuition and fees listed do not cover international travel costs and incidentals (projected cost around \$2,000). Program fee for Mini-Term is a programs abroad fee.

**Please note: Tuition rates may increase for Academic Year 2022-2023. The most current information is available at <https://onestop.utk.edu>.**
