

John-Patrick Paraskevas

Ray & Joan Myatt Faculty Fellow
Mentzer Supply Chain Fellow
Assistant Professor of Supply Chain Management
Department of Supply Chain Management
Haslam College of Business
315 Stokely Management Center
University of Tennessee
Knoxville, TN 37916
Paraskevas@tennessee.edu

BIO

Research— Professor Paraskevas is the Ray & Joan Myatt Faculty Fellow and the Mentzer Supply Chain Fellow at the University of Tennessee. Dr. Paraskevas’s research focuses on supply chain strategy with an emphasis on buyer supplier relationships, top management teams and strategic decision makers. Professor Paraskevas’s articles have been published in the *Journal of Business Logistics*, *Journal of Supply Chain Management*, *Production Operations Management*, *Strategic Management Journal*, and other journals.

Teaching and Mentoring—Professor Paraskevas has taught courses in supply chain and operations management, supply chain strategy, supply chain planning, carrier management, and executive strategic decision making and was recognized with a teaching award for undergraduate teaching. He has also taught operations and purchasing management at the PhD level. He has sat on two dissertation committees at two universities and is the faculty advisor to the undergraduate supply chain club at the University of Tennessee.

Professional Service—Professor Paraskevas serves on the Editorial Review Boards of the *Journal of Business Logistics*, the *Journal of Operations Management* and the *Journal of Supply Chain Management* while serving as an ad-hoc reviewer for numerous other journals. He also has received an outstanding reviewer award from *Journal of Business Logistics*.

EDUCATION

Ph.D. in Supply Chain Management, Minor: Strategic Management University of Maryland, Department of Logistics, Business and Public Policy	2012-2017 College Park, MD
M.S. in Supply Chain Management University of Maryland, Department of Logistics, Business and Public Policy	2011-2012 College Park, MD
B.S. in Finance and International Business, Double Major University of Maryland, Robert H. Smith School of Business	2007-2011 College Park, MD

RESEARCH

Research Interests

Supply chain strategy (general)

Buyer-supplier relationships (specific)

Supply chain representation on top management teams (specific)

CONFERENCE PRESENTATIONS

"Bridging the Digital Divide in Online Retailing: The Role of E-Commerce Fulfillment Offerings"

(Paraskevas, J-P., Pan, X., Elking, I., & Park, K.)

- INFORMS MSOM Conference, June 2023, Montreal, Canada.

"Supply chain and operations experience in the C-suite: A study of supply chain responsiveness and quality glitches." (Paraskevas, J-P., Grimm, C., Corsi, T., and Steven, A.)

- Decision Sciences Institute Annual Conference, November 2020, Online.
- Logistics, Informatics, and Service Sciences (LISS), July 2018, Toronto, Canada.
- Decision Sciences Institute Annual Conference, November 2016, Austin, TX.
- Production and Operations Management Society Annual Conference, May 2016, Orlando, FL.

"The effect of tariffs on inventory performance: The moderating role of supply base characteristics."

(Wiedmer, R., and Paraskevas, J-P.)

- Decision Sciences Institute Annual Conference, November 2020, Online.
- Academy of Management Annual Conference, August 2020, Online.
- Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.
- Production Operations Management Society Annual Conference, May 2019, Washington, DC.
- Decision Sciences Institute Annual Conference, November 2018, Chicago, IL.

“A relational view of organizational recruiting: Concentration, risk, and performance.” (Brymer, R., **Paraskevas, J-P.**, Ellram, L., and Josefy, M.)

- Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.
- Academy of Management Annual Conference, August 2019, Boston, MA.
- Strategic Management Society (SMS), September 2018, Paris, France.

RESEARCH (continued)

“Lean learning: Addressing Mura and Muri with chapter exams.” (Salzarulo, P., Ni, J., **Paraskevas, J-P.**)

- Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.

“The top management team’s impact on the temporal orientation of sustainability efforts.” (Eckerd, S., **Paraskevas, J-P.**, and Mir, S.)

- Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.
- Production Operations Management Society Annual Conference, May 2019, Washington, D.C.

“The impact of a top management team’s supply chain and operations experience on supplier portfolio management.” (D’Lima, R., **Paraskevas, J-P.**, Grimm, C., and Corsi, T.)

- Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.
- Logistics, Informatics, and Service Sciences (LISS), July 2019, College Park, MD.
- Decision Sciences Institute Annual Conference, November 2018, Chicago, IL.

“Leveraging supplier innovation: The role of top management team experience.” (Elking, I. and **Paraskevas, J-P.**)

- Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.
- Decision Sciences Institute Annual Conference, November 2018, Chicago, IL.
- Decision Sciences Institute Annual Conference, November 2017, Washington, DC.

“Global sourcing and inventory investment relationship: The role of a CSCO.” (D’Lima, R., Steven, A., **Paraskevas, J-P.**, and Corsi, T.)

- Production Operations Management Society Annual Conference, May 2018, Houston, TX.

“Impact of buyer-supplier TMT misalignment on environmental performance.” (Kumar, A., Steven, A., and **Paraskevas, J-P.**)

- Decision Sciences Institute Annual Conference, November 2018, Chicago, IL.
- Production Operations Management Society Annual Conference, May 2017, Seattle, WA

“The impact of disruptive events on resilience.” (Martínez, C., **Paraskevas, J-P.**, Corsi, T., Grimm, C.)

- Decision Sciences Institute Annual Conference, November 2018, Chicago, IL.
- Production Operations Management Society Annual Conference, May 2018, Houston, Texas

“The influence of top management team characteristics on supply chain risk management decisions.”

(**Paraskevas, J-P.**, Guntuka L., Grimm, C., Corsi, T., and Martínez, C.)

- Decision Sciences Institute Annual Conference, November 2023, Atlanta, GA.
- Decision Sciences Institute Annual Conference, November 2022, Houston, TX.
- Production Operations Management Society Annual Conference, May 2022, Online
- Decision Sciences Institute Annual Conference, November 2017, Washington, DC.
- Decision Sciences Institute Annual Conference, November 2016, Austin, TX.

RESEARCH (continued)

“Unilateral commitment: A prisoner’s dilemma perspective.” (**Paraskevas, J-P.**, Grimm, C., and Eckerd, S.)

- Academy of Management Annual Conference, August 2016, Anaheim, CA.
- Logistics, Informatics, and Services Sciences (LISS), July 2016, Beijing, China.
- Decision Sciences Institute Annual Conference, November 2015, Seattle, WA.
- Production and Operations Management Society Annual Conference, May 2015, Washington, D.C.

“Examining the interaction of power and supply chain strategy on firm performance.” (**Paraskevas, J-P.**, Elking, I., Grimm, C., Corsi, T., and Steven, A.)

- Production and Operations Management Society Annual Conference, May 2014, Atlanta, GA.

Presentations to industry

“Cyber risk analytics: a NIST- and GSA-sponsored project.” (Boyson, S., Corsi, T., and **Paraskevas, J-P.**)

Presented to:

- Naval Air Systems Command (June 2019)
- National Institute of Standards and Technology [NIST] (October 2018)

“Risk management, the impact of environmental risk and resilience on firm performance.”

(**Paraskevas, JP.**, Martínez, C., Boyson, S., Grimm, C., and Corsi T.) Presented to:

- University of Tennessee Supply Chain Forum (October 2022)
- University of Tennessee Global Supply Chain Institute (February 2022)
- Naval Air Systems Command (June 2019)
- Global Supply Chain Resiliency Council (February 2016)
- Resilinc Corporation (January 2016; August 2015)

“Examining the interaction of power and supply chain strategy on firm performance.” (Elking, I.,

Paraskevas, J-P., Grimm, C., Corsi, T., and Steven, A.) Presented to:

- National Aeronautical and Space Administration [NASA] (April 2015)
- United States Department of Defense [DoD]; Department of Homeland Security [DHS]; General Services Administration [GSA]; National Institute of Standards and Technology [NIST] (February 2015).
- Office of the Secretary of Defense [OSD]; Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics [OUSD(AT&L)]; LMI Government Consulting; Office of Manufacturing and Industrial Base Policy [MIBP] (October 2014)
- Bloomberg, L.P. (August 2014)
- Resilinc Corporation (April 2014)

“Supply chain and operations experience in the C-suite: A study of supply chain responsiveness and quality glitches.” (**Paraskevas, J-P.**, Grimm, C., Corsi, T., and Steven, A.) Presented to:

- Naval Air Systems Command (October 2016)

TEACHING

Teaching experience

University of Tennessee, Haslam College of Business (Teaching load: 3 sections per year)

Graduate Courses

Purchasing PhD Seminar – SCM 621

Spring 2023 Section 001: Average of Instructor Ratings: N/A

Undergraduate Courses

Supply Chain Strategy – SCM 460

Spring 2024: Section 008: Average of Instructor Ratings: N/A

Supply Chain Planning – SCM 422

Spring 2024: Section 001: Average of Instructor Ratings: N/A

Spring 2023 Section 002: Average of Instructor Ratings: 4.75/5.00

Spring 2023 Section 001: Average of Instructor Ratings: 4.61/5.00

Fall 2021 Section 001: Average of Instructor Ratings: 4.74/5.00

Fall 2021 Section 002: Average of Instructor Ratings: 4.84/5.00

Fall 2021 Section 003: Average of Instructor Ratings: 4.83/5.00

Study Abroad – Athens, Greece

Supply Chain Planning – SCM 422/BUAD 400

Summer mini term 2024: Average of Instructor Ratings: N/A

Summer mini term 2023: Average of Instructor Ratings: N/A

Miami University, Farmer School of Business (teaching load: 4-6 sections per year)

Undergraduate Courses

Executive Decision Making – MGT 495

Spring 2021 Section D: Overall Instructor Rating: 3.81/4.00 [Fully Online]

Supply Chain Management – MGT 498

Spring 2021 Section A: Overall Instructor Rating: 3.78/4.00 [Fully Online]

Spring 2021 Section B: Overall Instructor Rating: 3.86/4.00 [Fully Online]

Spring 2021 Section C: Overall Instructor Rating: 3.71/4.00 [Fully Online]

Fall 2020 Section A: Overall Instructor Rating: 3.85/4.00 [Fully Online]

Fall 2020 Section B: Overall Instructor Rating: 3.72/4.00 [Fully Online]

Spring 2020 Section C: Overall Instructor Rating: 3.83/4.00 [Partially Online]

Spring 2020 Section D: Overall Instructor Rating: 3.75/4.00 [Partially Online]

Spring 2019 Section C: Overall Instructor Rating: 3.84/4.00

Spring 2019 Section D: Overall Instructor Rating: 4.00/4.00

Undergraduate Courses (continued)

Introduction to Operations and Supply Chain Management – MGT 302

Fall 2018 Section F: Overall Instructor Rating: 3.41/4.00

Fall 2018 Section G: Overall Instructor Rating: 3.59/4.00

Spring 2018 Section F: Overall Instructor Rating: 3.76/4.00
Spring 2018 Section G: Overall Instructor Rating: 3.26/4.00
Fall 2017 Section C: Overall Instructor Rating: 3.33/4.00
Fall 2017 Section D: Overall Instructor Rating: 3.15/4.00

University of Maryland, Robert H. Smith School of Business

Undergraduate Courses

Carrier Management – BMGT 470

Spring 2017: Overall Instructor rating: 3.89/4.00

Spring 2015: Overall Instructor rating: 3.88/4.00

Supply Chain Management Internship – BMGT 373

Summer 2017: Overall Instructor rating: N/A

Summer 2015: Overall Instructor rating: N/A

Master's Courses – Graduate Assistant

Supply Chain Risk Management, Course Development and Migration

Global Supply Chain Risk Management

Invited panelist

- Keeping it real: A closed door session with assistant professors. CSCMP Bowersox Doctoral Symposium, October 2023, Orlando, FL.
- Effective Teaching Panel. Logistics Doctoral Symposium, April 2022, Ames, IA.
- Using Bloomberg data in SCM research. Decision Sciences Institute Annual Conference, November 2019, New Orleans, LA.
- Advice from assistant professors. Academy of Management Doctoral Symposium, August 2019, Boston, MA.
- Supply chain risk management in the classroom. Global Supply Chain Resiliency Conference, June 2019, Los Angeles, CA.
- Engaging students using active methods. Logistics Doctoral Symposium, April 2019, Columbus, OH.
- Supply chain risk management in the classroom. Global Supply Chain Resiliency Conference, June 2018, San Francisco, CA.
- Conducting a successful job search. Logistics Doctoral Symposium, February 2018, Fort Worth, TX.

PROFESSIONAL EXPERIENCE

Assistant Professor , Department of Supply Chain Management University of Tennessee, Haslam College of Business	2021-Present <i>Knoxville, TN</i>
Assistant Professor , Management Department Miami University, Farmer School of Business	2017-2021 <i>Oxford, OH</i>
Graduate Assistant , Department of Logistics, Business and Public Policy University of Maryland, Robert H. Smith School of Business	2012-2017 <i>College Park, MD</i>
Cost Department Co-op , Naval Air Systems Command Supplier Network	2009-2012 <i>Pax River, MD</i>
<ul style="list-style-type: none">Supported the creation of a supplier database for NAVAIR.Performed deep-dive supplier analysis of critical suppliers and reported to flag level executives. Industry Insight	
<ul style="list-style-type: none">Supported database detailing the financial health analysis on critical suppliers.Contributed to the annual NAVAIR report on the financial health of critical suppliers. Advanced Concepts	
<ul style="list-style-type: none">Supported creation and maintenance of supply chain cost database for naval aircraft.	

SERVICE AND ACTIVITIES

Awards for Reviewing Excellence:

- Journal of Business Logistics Outstanding Reviewer 2019

Service to Profession: Journals – Editorial Review Board Positions

- Editorial Review Board Member, Journal of Business Logistics 2024-Present
- Editorial Review Board Member, Journal of Operations Management 2023-Present
- Editorial Review Board Member, Journal of Supply Chain Management 2022-Present

Service to Profession: Journals – Ad Hoc Reviewing:

- Ad-Hoc Reviewer, IJOPM 2023-Present
- Ad-Hoc Reviewer, Decision Sciences Journal 2019-Present
- Ad-Hoc Reviewer, Production Operations Management 2018-Present
- Ad-Hoc Reviewer, ISM best paper award 2024-Present
- Ad-Hoc Reviewer, Academy of Management Conference 2015-2016

Service to Profession: Conferences

Organizer

- CSCMP Bowersox Doctoral Symposium co-organizer, 2024-Present

Session Chair/Facilitator

- Annual Meeting of the Decision Sciences Institute Session Chair: 2019, 2020, 2023, 2024
- Production Operations Management Society Conference Session Chair: 2021

Track Chair

- Council of Supply Chain Management Professionals Track Chair: 2020, 2022

Service to the Department/College/University

University of Tennessee

- TASC/CSCMP Student Club Faculty Advisor, University of Tennessee, 2023 – Present
- Member, At large Forum Committee, 2022 – Present
- Course Champion, SCM422 – Supply Chain Planning
- Course Champion, SCM621 – Purchasing PhD Seminar
- Member, Awards and recognition committee, 2021 – 2022
- Panel organizer, University of Tennessee Supply Chain Forum, 2022

Miami University

- Member, Commencement Speaker Selection Committee

University of Maryland

- Chair, Association of Doctoral Students Intramural Sports

Dissertation committee member:

- **Junwoo Cha**, University of Tennessee 2023-Present
- **Rohan D’Lima**, University of Maryland 2019

HONORS AND AWARDS

Journal of Supply Chain Management Best Paper Finalist	2023
AOM 2020 OSCM Division Chan Hahn Best Paper Finalist	2020
Top 100 Most-Commended Faculty at Miami University	2019
SMS Strategic Human Capital Best Paper Finalist	2018
IEEE Cybersecurity Award Winner for Practice	2017
Outstanding Graduate Assistant – Robert H. Smith School of Business	2017
Invention of the Year Award Finalist – University of Maryland	2015

PROFESSIONAL AFFILIATIONS

- APICS and ISACA subject matter expert and contributor to the supply chain risk report.
- Member: Academy of Management (AOM), Council of Supply Chain Management Professionals (CSCMP), Decision Sciences Institute (DSI), Global Supply Chain Resiliency Council (GSCRC), Production and Operations Management Society (POMS)
