How you finance your degree is a big part of your decision-making process. All admitted applicants are automatically considered for merit-based program-funded assistantships; however, funding is not guaranteed. We recommend that you plan with the full program cost in mind. In addition to these start-up expenses, potential expenses to consider are moving expenses, rent deposit and monthly rent payments, books/laptop, utilities (electricity, gas, and water), etc.

**Typical Graduate Assistantships only cover tuition and university fees.** Students must cover the balance. Assistantships are only available to full-time students enrolled in the 1-year plan. The Financial Aid Office will only process FAFSA funding for United States Citizens. Additionally, university-wide merit-based scholarships may be obtained through the Graduate School.

<sup>1</sup>Winter Mini-Term Global Business Seminar- tuition and fees listed do not cover international travel costs and incidentals (projected cost around \$2,000). Program fee for Mini-Term is a programs abroad fee.

**Please note: Tuition rates may increase for Academic Year 2025-2026. The most current information is available at <https://onestop.utk.edu>.**
